### MASON LIVESTOCK SHOW PIG CAMPS

Thank you to everyone who has participated in our show pig camps and for all of the positive comments we have received like this one...

*"The camp was an amazing experience... we would love to be able to participate in something like that again some day. It was more than worth the money spent on it. 'Thanks so very much' sounds so small compared to what you did for us!"*

-RENAE ROWE

Look on the Show Pig Camp page on our website for fall/winter camp dates!
